## Acronym

MAM	Multi Account Manager
PAMM	Percent Allocation Management Module
IB	Introducing Broker
EA	Expert Advisor
POA	Power Of Attorney
CA	Compensation Acknowledgement
HWM	High Water Mark

## What is MAM/PAMM?

Titan FX MAM (Multi Account Manager) or PAMM (Percent Allocation Management Module) scheme is designed to provide the money manager the ability to **allocate and manage multiple investor accounts under a master account**. The scheme is integrated with MetaTrader 4 (MT4) platform.

The money manager (Master' account) may manage unlimited investor accounts. A variety of commission structures can be configured to reward the account manager.

## Benefits of Titan FX MAM/PAMM program

### **BULK ORDER ALLOCATION**

Place large orders fast  
Quick order entry  
Controlled allocations

### **NO TRADING RESTRICTION**

EA scalping and hedging allowed  
Allocate to clients from 0.01 lot  
No system restriction

### **EASY ALLOCATION MANAGEMENT**

8 allocation methods available  
Quickly set allocation values  
Manage unlimited accounts

### **AUTO COMMISSION CALCULATION**

HWM performance fee auto-calculation  
Commissions monitored in real time  
Easy reporting system

## Allocation methods

Titan FX MAM/PAMM program provides 8 allocation methods.

\*P/L allocation methods are currently not available with Titan FX.

1. Lot allocation
2. Percent allocation
3. Proportional by balance allocation
4. Proportional by equity allocation
5. Equity percent allocation
6. Allocation by equal risk
7. Lot multiplier allocation
8. Lot multiplier with volume fix

## MAM/PAMM live account opening criteria

To join Titan FX MAM/PAMM program you need to meet the following criteria:

Refer a minimum of 5 clients  
(excluding MAM master own account)

Total slave account balance is over \$25,000  
(or equivalent)

MAM agreement along with POA and  
CA completed for each slave account

## Commissions

MAM master would be able to markup spreads or charge trading commissions per closed order if it is necessary.

HWM Performance fee, Management fee and Flat fee auto-calculation is also available in the MAM//PAMM platform.

\* Titan FX does not charge any MAM software fee, maintenance fee or admin fee.

## MAM/PAMM agreement

MAM master and each slave account holder are required to agree with the MAM/PAMM contract along with the POA and CA by signing up the MAM/PAMM agreement.

MAM/PAMM agreement contains:

- MAM Slave information
- MAM Master information
- Commission details
- Power of Attorney
- Compensation Acknowledgement

## Withdrawal and revocation

MAM master's authorisation will be required for full or partial withdrawal and contract revocation requests from slave account holders.

In case of the MAM contract revocation or full amount withdrawal, **the slave account holder must give Titan FX the authorisation to close all open positions to realise any floating P/L.**

## Application process

### IB Account Creation

In order to refer slave account holders, the MAM master must [open an IB account](#) before applying for the MAM/PAMM program.

### Demo Account Creation

Titan FX strongly recommend the new MAM/PAMM master to test trade with demo environment before commencing the live account trade.

### Live Account Creation

Once the live account criteria is satisfied, Titan FX will create the MAM master account, license file, MAM agreement form, withdrawal form and revocation form so that the master will be able to commence trading.
