1.3. Net deposit requirements:

1.3.1. The client's net deposit is the sum of all deposits minus all withdrawals in all their accounts between registering for the Promotion and the end of the Promotion Period.

1.3.2. Net deposit is calculated in the currency of the client's chosen Promotion account. If the client makes deposits or withdrawals into/from other accounts that have a different account currencies,

the applicable exchange rate at the time of calculation will be used to convert the deposits or withdrawals into the Promotion account currency.

1.3.3. Withdrawals of only trading profit earned from trades that were opened after the client registered for the Promotion and closed before the end of the Promotion Period will not be subtracted from the net deposit.

1.3.4. If the client withdraws more than their trading profit or a portion or all of their deposited amount at any time during the Promotion Period, this may decrease their net deposit amount which may result in the participant being ineligible to participate further in the Promotion.

1.4. Participants who register for the Promotion, make a net deposit of at least USD 500, and qualify to receive cashback, will automatically be entered into a random draw for a chance to receive 5,000 Titan Points. A total of 100 eligible participants will be selected as winners after the end of the Promotion Period. The winners will be announced on the Client Cabinet's Promotion page, no later than 7 December 2026, and each winner will receive an email notification once the Titan Points have been credited to their account.

2. Cashback and Trade Volume Calculation

2.1. Cashback amount is calculated by multiplying by cashback amount per 100,000 USD trade volume (see table below).

Cashback amount per 100,000 USD trade volume in account currency

Currency	USD	JPY	EUR	SGD
Cashback per 100,000	5	800	4.3	6.3

USD traded volume				

2.2. Cashback will only be paid if a minimum of 100,000 USD volume is traded in Gold, FX and/or index instruments on eligible Titan FX live accounts during the Promotion Period.

2.3. The amount of traded volume is summed up across trades (e.g. if a client opened one 20,000 USD volume trade, and one 80,000 USD volume trade, the cashback will be calculated for 100,000 USD trade volume).

2.4. The amount of traded volume of different eligible instruments is summed up (e.g. if a client traded 150,000 USD volume in XAUUSD and 50,000 USD volume in USDJPY, the cashback will be calculated for 200,000 USD volume traded).

2.5. The cashback will be calculated in the currency of the client's chosen Promotion account and deposited into the same account. Check our website for expected timing to receive cashback.
